**We are now ready to welcome the Golden Age of Consciousness, into our living reality.
Come join us, awaken invoke claim and rejoice in rejuvenating all our bodies.
Open to the Master Within that you Truly are.**

**With Gabriella Molnar,
Internationally known as a Spiritual Mechanic and gifted healer,
She has been in Spiritual Practice for 15 yrs.
One with her Divine in union with Masters and Holy Spirit,
She invites us to draw from our own deeper healing potential, which we all have,
We will commence with awakening the Chakra Centers with ancient sounds and tones.
Then moving into breathing the breath of Love into each cell atom and molecule throughout our being.
Offering our bodies the freedom of movement to unravel, release, to open the deeper truths hidden within
our being you may have experienced Breathing before.
However with Gabriella and her unique style it becomes quite a Deeper Sacred experience, were many
have experienced the lingering of bliss for many weeks following.**
