

## Receive the Codes of Light of the Sacred Feminine and Masculine WEEKEND SEMINAR - SATURDAY 3RD & SUNDAY 4TH SEPTEMBER

Kaliana and Rama are Spiritual Teachers of the Divine University and Sirius Library. We are a twin flame couple ... loving, healing and evolving together since 1987. Together with the Family of Light, we create a loving heartfelt portal, a sacred temple, a place of safety where you are held and filled with the frequency of loving compassion, Divine Love and gifted Sacred dispensations to support the ignition of your inner union. We are both highly skilled and experienced facilitators: sourcing from the heart of compassion, combining the depth of our experience to embody and transmit practical and sacred relationship wisdom.

Returning to Australia after our European Tour, teaching in Paris, Geneva, Warsaw and Oslo, we invite you to share with us the energy of this deep and enriching journey that supports and celebrates sacred union. Experience our unique approach to Sacred Union, which is a combination of guided meditations, transmissions from the Family of Light AND dynamic processes involving movement and sound to liberate the emotions, body, soul and spirit. These processes pave the way for deep, intimate and loving relationships with yourself and others, activating you to manifest and create loving, life affirming energy in your relationships.

- Couples... deepen and revitalize your existing relationship.
- Singles... receive support to manifest a sacred relationship in your life.
- Explore in depth, the emotional, sexual and spiritual aspects of intimate relationship, promoting greater honesty, freedom and celebration.
- Assist the Grids of Divine Love to anchor on the Earth through our group processes of planetary healing.... the manifestation of 'Heaven on Earth' through male/female balance and loving union.

The Sacred Union Seminar holds the deepest trust, safety, compassion and respect, to support your soul's evolution, wellbeing and longing to experience your inner union. It activates the remembrance of your vast multidimensional and infinitely loving selves, and your Soul mission here, and particularly a knowing of our relationship mission here, which is to activate the highest possible consciousness in the intimate love between two people in its human and divine form.

Receive the benefits of this inner work, which lifts and transforms past hurts, freeing you to once again see yourself and others with the eyes of love...guiding you to co-create with your masculine and feminine energies equally empowered, side-by-side, dedicating the highest energies of your Sacred Union, inner and outer, in loving service to Gaia, the Divine Plan, and all beings.

## SACRED UNION FAQ: Can I attend for only one day of this two day event?

"Sacred Union is a weekend workshop, and that is our preference that participants attend both days due to the nature of the healing process of the event.

However, upon being invited to Sydney to conduct this workshop after our European tour, the weekend of September 3/4 was the one available at this particular venue, which falls on Father's Day weekend.

We have received several enquiries asking if it is possible to attend only the Saturday because of this.

So we now invite those who have made commitments for Father's Day to come just for the Saturday; the cost will be \$150.

For those who can attend both days, Sunday will be a wonderful day to draw on the Sacred Masculine Father energy to bless our relationships. Those that can't make it that day will be called in to join us on the Inner Planes to receive as we receive.

On the Saturday we mainly focus on forgiveness and healing between the masculine and the feminine. On the Sunday we go deeper into relationship dynamics.

Again, Sacred Union is a weekend workshop, and that is our preference that participants attend both days to support your greatest shift, if you are able to commit to both days. Yet we are also willing to support any being that is guided to join us, even if it's only for the Saturday, to support your relationship dynamics to heal with grace and ease.

We trust this opens the door for many more of you to be supported in September, at this last time offered, discounted price of this workshop.

**A reminder** that it is getting closer to our two events in Sydney. Below are the two links if you want to check us out on FB. We would love you to join us...blessings Kaliana and Rama
