Mount White, October 18<sup>th</sup>-20<sup>th</sup> 2019

***Selenite Swords of Light are some of the highest vibration energy tools available to practitioners today, hand crafted from pure selenite crystal. The swords carry the energy vibration of Archangel Michael, and help people open up to the 5th dimensional light of the divine.***

Tom Ledder, creator of the Selenite Swords of Light, is visiting from the U.S. to give a series of workshops, where you'll have the opportunity to experience the power and magic of the swords for yourself. Learn how to use the Swords to:

- Work with high frequencies of light for transformation
- Activate, clear and balance the chakras, meridians and subtle bodies
- Detect, remove and transmute negative energies in the body, land and houses
- Perform powerful light body activation processes
- New Flower of Life and Emerald tablet activation to bring in the knowledge of Thoth and the secrets of immortality. The regeneration tool the flower of life will be used in a direct activation of your DNA and interdimensional qualities

Tom will be joined by Maryke Del Castillo, gifting her Language of light and song, and offering sword readings and sessions.
